

Stratford DMU formations 1981

Noted by David Underwood

The Stratford DMU fleet although having fixed formations on paper were always swapped around from day to day to meet service demands, the period from 1977 until the end of DMU's at Stratford in 1986 was always very fluid and produced some very unusual formations at times, especially 1978 onward.

Friday 2nd January

50551/59226/50579 on Stratford Main - Tottenham Hale service

50370/56138 on Romford - Upminster branch
