DIESEL & Steam Train Services

WITH CHEAP FARE FACILITIES

**Bristol – Newport – Cardiff –
Swansea – Carmarthen**

15th JUNE to 13th SEPTEMBER 1959

WESTERN REGION

NEW DIESEL TRAIN SERVICES

New Diesel trains have been introduced on the Western Region of British Railways during the past months and others will be put into service on 15th June, 1959. This enables a number of improvements to be made in the service between Bristol, Newport, Cardiff, Swansea and Carmarthen.

Notably, a new train will leave Cardiff at 7.15 a.m. on Mondays to Fridays inclusive, affording an arrival at 8.31 am at Bristol (Temple Meads). A new late evening departure from Bristol (Temple Meads) and Stapleton Road is provided at 10.20 pm and 10.27 pm respectively, for Newport and Cardiff on Mondays to Saturdays inclusive.

Between Cardiff and Swansea there will be new services on Mondays to Fridays, leaving Cardiff at 1.0 pm and 10.20 pm and leaving Swansea at 12.35 pm and 3.15 pm, calling at principal intermediate stations in each case. Many services in each direction between Bristol and Cardiff and between Cardiff and Swansea will be accelerated.

The train services and other facilities shown in this booklet are subject to alteration or cancellation at short notice and do not necessarily apply at Bank and Public Holidays or on Race Days.)
